

Mattresses and Mattress Covers

Mattresses come with one of the following cover styles. Replacement covers, sold separately, come in the same styles. Choose the style that best suits your camp's needs.

Regency

A heavy duty cloth ticking with a plastic impregnation. Ideal for many years of institutional use. Solid, heavy density polyurethane foam core mattress with a comfortable and breathable ticking. Zippered cover repels water & stains yet are removable and washable (hand wash and drip dry). HD gray and white-striped, cloth-backed mattress with HD zipper.

Green Giant

Made with a fiber mesh sandwiched between two layers of plastic creating a good institutional cover that will not rip. Tough, HD nylon mesh backed vinyl mattress.

Brawny Brute

Same as Green Giant. All tan nylon mesh backed vinyl mattress.

Sani Vinyl

A heavy plastic style cover material.
